

PAT ULTRASONIC WELDING

- Ultrasonic Horn and Fixture Manufacturing
- Refurbished Ultrasonic Welders
- Prototype and Pilot Application Evaluation
- Ultrasonic Repair Services

Plastic Assembly Technologies has a complete *CAD/CAM CNC machine shop* and *well equipped ultrasonic laboratory* that allow us to assist you in every step of your assembly process.

PAT ULTRASONIC WELDING ACCESSORIES

- Protective Film Winder

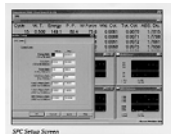

- Power Supply Brackets

- Hydrosnubber

- CompuWeld© SPC Software

- Welder Tables

- Sound Enclosure

PAT PLASTIC ASSEMBLY TOOLING AND URETHANE FIXTURES

- Hot Plate Tool Design and Fabrication

- Assembly Tool Design and Fabrication

PLASTIC JOINING AND SOLUTIONS IN AUTOMATION

- Extol InfraStake™

- Extol Hot Plate Welders

- Extol Spin Welders

- Extol ErgoStation™

- Extol Automation Solutions

- Automotive Interior Systems, Including Edge Wrap and Door Panel Machines
- Clip Driving Machines
- Leak Test Systems
- Robotic Integration
- End of Arm Tooling
- Automated Degating Systems
- In-Line Transfer Systems
- Rotary Systems
